

16/12/23

Morning Murli Om Shanti

BapDada

Madhuban

Essence: Sweet children, don't hide anything from the eternal *Surgeon*. If you are disobedient about anything, ask for forgiveness. Otherwise, the burden will continue to increase and you will become one who defames the Father's name.

Question: What is the basis of earning a true income? Why are there obstacles to your self-progress?

Answer: The basis of earning a true income is to study. If you don't study well, you won't be able to earn a true income. When your company is not right, there are obstacles to your progress. It is said: Good company takes you across and bad company drowns you. If you keep bad company, you do not study and will fail. It is the company you keep that takes you into the depths of hell. This is why you children have to be very cautious about being influenced by the company you keep.

Song: You are the Ocean of Love; we thirst for one drop.

Om shanti. Those children sing praise of the unlimited Father. That praise is of the path of devotion. You worthy children now sing praise to the *Father* personally. You understand that the unlimited Father has come and is giving us knowledge and making us into the masters of heaven because He alone is the Ocean of Knowledge. *God* has *knowledge*; it is called *Godly knowledge*. The Supreme Father, the Supreme Soul, is the One who gives *knowledge*. To whom? To the children. Your Mama is given the name '*Goddess of Knowledge*' and, since Jagadamba is the *Goddess of Knowledge*, her children should also have the same *knowledge*. *God* gives *knowledge* to Saraswati, the *Goddess of Knowledge*, but through whom does He give it? These are matters that have to be understood very well. The world doesn't know who Jagadamba is. You children know that there is only one Jagadamba. They have given many names. People don't know that Saraswati is a mouth-born creation of Prajapita Brahma. It is *God, the Father*, who gives her *knowledge*. *God, the Father*, gives this *knowledge* of how the world cycle turns. The Father gave *knowledge* to you children. How did Saraswati receive it? Surely, since she is a mouth-born creation of Prajapita Brahma, then the Supreme Father, the Supreme Soul, who is the Ocean of Knowledge, must have given Saraswati this knowledge through his mouth. He must have given others this same knowledge too. *God, the Father*, is teaching you and so, surely, the children of *God, the Father*, are *master gods*. This is why she is given the name '*Goddess of Knowledge*'. You children know that you and your Mama are now receiving this *knowledge* from the Ocean of Knowledge who is also called the God of the Gita. God is One. No deity or human being can be God. Since she is the *Goddess of Knowledge*, which *knowledge* does she have? That of Raja Yoga. It is with this *knowledge* of easy Raja Yoga that Saraswati, the *Goddess of Knowledge*, becomes Lakshmi, the *Goddess of Wealth*. Since there is praise of the *Goddess of Knowledge*, there is also praise of you children. All of you are the children of Prajapita. You wouldn't be called the children of Mama. You children are born through the lotus-mouth of Brahma. All of you Godly children have faith. God, the Father, says: I only become present in front of the children. They are the only ones who know Me. So, Jagadamba is the *Goddess of Knowledge*. This is the knowledge of easy Raja Yoga, not of the scriptures. God gave her this *knowledge* and she was called a *goddess*. Jagadamba is the mother. Then, in her next birth, she becomes Lakshmi, the *Goddess of Wealth*, to whose idol people pray for something. Therefore, this proves that Jagadamba receives the inheritance of Raja Yoga from the Father. She is called the *Goddess of Knowledge*. *Knowledge is your source of income*. This is the true income that you earn through the true Father. You are now earning a true income, numberwise, according to the efforts you make. If you don't study, you cannot earn a true income. If you don't keep good company you will neither be able to study nor make progress. Good company takes you across and bad company drowns you. If you have bad company and don't study, you will fail and continue to sit at the back. The *Teacher* knows the reason for this, but the Father doesn't

know it. Yes, the *Father* would definitely understand that you haven't studied enough and that you keep bad company due to which you fail. For instance, if two of you love each other and neither is studying, they would take one another into the extreme depths of hell. The Father understands that they are not studying and so they have to be separated. Without studying, human beings are said to be senseless. If they study, they are said to be sensible. If you don't follow God's directions, it would be said that you are a stepchild. However, they don't understand the meaning of this. You know that those who don't study will remain impure; they will fail and then run away. The Father says: O Ravan, you even swallow My children! You are so powerful! Some children begin to follow the dictates of *Satan*; they don't follow *shrimat*. You should promise yourself: I will follow Baba's directions at every step. Those who do not follow *shrimat* are said to be those with devilish directions. Baba then understands that such ones will not be able to claim a high status. If you are unable to explain to someone, it would be said that you are influenced by Ravan. You're not having yoga in order for your intellect to become pure. Your intellects also have to have yoga. The behaviour of God's children should be very *royal*. There cannot be a king who is clever from birth. This is why Baba says: You have to conquer Ravan's five vices by following *shrimat*. Baba would say of those who don't follow *shrimat*: They are following devilish dictates. Some would follow *shrimat* five *per cent* and others would follow it ten *per cent*. There is the account. So, Jagadamba is only one. Jagadamba is Saraswati, a mouth-born creation of Brahma. That is her full name. Saraswati has been shown with a sitar. She is the *Goddess of Knowledge* and there would surely also be her children. They too should have their sitars. Look, Saraswati is sitting in the picture of the tree. She studies Raja Yoga and then she becomes Lakshmi, the *Goddess of Wealth. Health, wealth and happiness* are all included in that. No one, apart from the Supreme Father, the Supreme Soul, can give you that. He is *Heavenly God, the Father*. Look, Mama is now doing *service*. For instance, if someone gives an invitation to Mama, they should first of all know Mama's *occupation*. First of all, they have to have the *knowledge* of who she is. The world doesn't know this. They say: Krishna was insulted, but that was not possible. It is *impossible*. It is Shiv Baba who takes the most insults and then the *second number* is Brahma; Krishna and Brahma, but no one can insult Krishna. People don't know that Saraswati, the *Goddess of Knowledge*, becomes Radhe in the future. It is after her marriage that she becomes Lakshmi, the *Goddess of Wealth. Health, wealth and happiness* are all included in that. You should have great intoxication in explaining. You have to explain who Mama is. She is Saraswati, the mouth-born daughter of Brahma. The people of Bharat don't know anything at all. They don't have any *knowledge*. There is a lot of blind faith. The people of Bharat have a lot of *blind faith*. They don't even know the ones whom they worship. *Christians* know about their *Christ*. The Sikhs know that Guru Nanak established the Sikh religion. They know the founder of their religion. It is just the Hindus, the people of Bharat, who don't know. They continue to worship with blind faith because they don't know anything about their *occupation*. Because they have lengthened the duration of the cycle, they don't understand anything. Those of Islam and the Buddhists come later. Those deities would definitely be there before them. They would be here for this length of time. If all the other religions take half a cycle, then the one religion also has to be shown as taking half a cycle. You cannot say that it is hundreds of thousands of years long. Go to the Jagadamba Temple and ask them: Who gave this *knowledge* to this *Goddess of Knowledge*? It wouldn't be said that Shri Krishna gave *knowledge* to Jagadamba. However, only those who *practise* this well will be able to explain. Some have a lot of body consciousness. They continue to remember one or another friend or relative. The Father says: If you remember others, you forget to remember Me. You even sing: We will break away from everyone else and connect ourselves to the One. That One is now sitting here. Baba, I belong to You and I will follow Your directions. I will not perform any such actions that would defame Your name. Many children perform such actions that they defame Baba's name. Until they understand this, they will continue to throw insults. The name has also been glorified. O God, Your divine activities are remembered! However, you children can understand that no one else understands this. The Father says: Children, I am doing altruistic service. I also uplift those who defame Me. I make Bharat into the Golden Sparrow. I am *number*

one in uplifting you. However, people call Me omnipresent and insult me a great deal. I give you children this *knowledge*. So, there are many obstacles from the devilish community to this sacrificial fire of knowledge. Baba explains that all the rubbish falls here because of the children who are unable to understand this properly. They have Me defamed. Some children do very good *service*, whereas others even do *disservice*. On the one side, some carry out *construction* and, on the other, others also carry out *destruction* because they don't know this knowledge. The sun and moon dynasty kingdoms are being established. You have to explain to those who don't understand fully. There is mercy for them. If someone doesn't claim his inheritance after belonging to the Father, of what use is he? You have found the Father and so you should make full effort and follow shrimat to claim your inheritance. Don't perform any actions that would defame the Father's name. The Father knows that lust and anger are great enemies. They continue to catch hold of you by your nose and ears. That will happen, but you have to go beyond it. Some become trapped in someone's name or form. Not all children are the same. The Father still cautions you: Remain careful! If you perform any wrong actions and have Me defamed, your status will be destroyed. Maya also becomes powerful with the powerful ones and fights them. While you are remembering the Father, storms of Maya take you somewhere else. Some children don't tell the truth and they don't seek advice. You mustn't hide anything from the eternal *Surgeon*. If you don't tell Him, you become even more dirty. Don't think that Baba is Janijananhar (One who knows the secrets within) and that He knows everything; no. You have to tell Shiv Baba about your disobedience. Shiv Baba, I made this mistake and I now wish to ask for forgiveness. If you don't ask for forgiveness, you will continue to make mistakes. That is, you will continue to increase the burdens of sin on your heads. The Father explains: Don't destroy your status for cycle after cycle. If you don't create a high status now, that will be your condition for cycle after cycle. This is *knowledge*. Baba knows that the kingdom is being established as it was in the previous cycle. BapDada can understand a lot more. This one is still an especially beloved child. The praise of the mothers has to be increased. The mothers are kept ahead. Baba explains to the brothers: Bring them (the mothers) to the front. The brothers too can do a lot of *service*. Explain using the pictures: This is God, the Highest on High. Then, there is the Trimurti, Brahma, Vishnu and Shankar. Who is the highest of them? Whose name is mentioned? All would say: It is Prajapita Brahma through whom we receive the inheritance. Shankar or Vishnu would not be called 'father'. You don't receive the inheritance through them. This one is called Prajapita Brahma. What inheritance do you receive through him? Brahma is Shiv Baba's child. Shiv Baba is the Ocean of Knowledge, the One who establishes *heaven*. Therefore, you surely receive teachings for *heaven*. These directions are for Raja Yoga. The Father is gives you shrimat through Brahma. This is for you to become deities. That Brahma Kumari then becomes Shri Lakshmi, the *Goddess of Wealth*. These are Brahmins and the others are deities. In the incorporeal world all are souls. Baba explains to the children a great deal, but only those who are to understand will understand. Human beings become *followers* of sannyasis and gurus by having *blind faith*. They don't even know what they will receive from them. A *teacher* at least knows that you will receive a status. However, they don't know what attainment they will receive from those whose *followers* they become. That is *blind faith*; they are not *followers*! Neither do they make you become like them, nor do you become like them. They don't know what the *aim* or *objective* is at all. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Remain constantly safe from the influence of bad company. Study this true study and accumulate a *stock* of true income.
2. Promise yourself that you will follow Baba's shrimat at every step.

Blessing:

May you be a karma yogi and become *fine* by finishing your *file* of complaints.

Just as when a soul and a body are *combined* there is a life, similarly, let karma and yoga be *combined*. Do not be yogis who have yoga for two to three hours, but have a yogi life. Your yoga has to be natural and easy, your yoga should not break that you would have to make effort to connect it again. You should not need to complain. When you stay in remembrance, all of your tasks automatically become successful. All the *files* of those who become *fine* finish because a yogi life is a life filled with all attainments.

Slogan:

Remember the Karavanhar Father (the One who inspires you to act) at every moment and you will become a constant yogi.

***** Om Shanti *****
