Morning Murli Om Shanti

BapDada

Madhuban

**Essence:** Sweet children, become fragrant flowers. Shri Krishna is the *number one* fragrant flower. This is why he is loved by everyone. Everyone places him on their eyes (has deep regard for him).

**Question:** Which worldly relationship is *sweet* and which do you call the *sweetest*?

**Answer:** In worldly relationships, it is the *father* who is said to be *sweet*. You children also say that your *Father* is extremely *sweet* and *most lovely* and that you are His *lovely* children. The *Teacher* is then said to be the *sweetest* because the *Teacher* teaches you. This *knowledge* is your *source of income*. You also receive *knowledge* first. While living at home with the family, you have to imbibe this *knowledge* and inspire others to imbibe it.

**Song:** To live in Your lane and to die in Your lane.

Om shanti. You children heard the song. When a person dies, he takes birth to another set of parents and the father is congratulated. You children now know that souls are imperishable. That song refers to the bodies. You shed a body and take another, that is, you leave one father and go to another father. You have had 84 corporeal fathers. In fact, you are the children of the incorporeal Father. You souls are residents of the land of nirvana, the land of peace, where everyone resides with the Father. That is called the world of souls. You souls reside there and the Father also resides there. Here, you forget Him because you become children of worldly fathers. In the golden age, no one remembers the Father; their intellects are already down here. Here, when people remember Him, they say: O Baba! This one is also called Baba. This one is also a *father*. You see your worldly fathers here. When you call out to the Father from beyond, you look upward. You now belong to that Baba. You know that, you were at first pure and had your fortune of the kingdom and that your 84 births are now coming to an end. You have become unhappy and this is why you remember the Father. This costume (body) has now become tamopradhan by being worn all the time. At first, we souls and our bodies were satopradhan. Then we souls went through the stages of sato, rajo and tamo. At first you were *golden*, and you then went through the stages of *silver, copper and iron*. They are also called jewellery. Alloy is mixed into gold. The Father explains: You souls have now become impure and the gold has become tarnished. You have become ugly and *impure*. At first, you souls were *pure* and you had *pure* bodies. How will you now receive *pure* bodies? Is it by bathing? Nothing happens just by bathing. The souls call out: O Purifier Baba! The word 'Baba' is so sweet. It is very good. The word 'Baba' is only used in Bharat. You children continue to say, "Baba! Baba!" You children know that you have now become soul conscious and that you belong to the Father. The Father says: I first of all sent you to heaven. Having played your *parts*, you have now reached the end. Continue to say "Baba! Baba!" internally. You children know that Baba has come. Everyone remembers Him: O Purifier Baba, come! Come and make us impure ones pure! They all call out in their own language. When the world becomes old, they call out, so He would surely come at the confluence age. Only you know this. They have written many confusing things in the scriptures. You children have the firm faith that Baba is your *most beloved, most lovely* Baba. Baba too says: *Sweet children. Sweet, sweeter, sweetest; who is sweet?* In worldly relationships it is the *father* who is *sweet*. Then the *teacher* is said to be the *sweetest*. The *teacher* is good because he teaches you. It is said: *Knowledge is a source of income*. Therefore, this *knowledge* is also your *source of income*. Yoga is called remembrance and gyan is called *knowledge*. You children know that you were made into the masters of heaven. This is why people celebrate the birthday of Shiva. However, no one knows how Shiv Baba came. The Trimurti is shown in that picture and Shiva is shown above them. "Establishment through Brahma": who carries out establishment through Brahma? Shiv Baba is Karankaravanhar. Shiva is above Brahma, Vishnu and Shankar. That is the creation and their Creator is Shiva. He is incorporeal and this is the corporeal world. The world

cycle continues to *repeat*. The subtle region is not included in the world cycle. It is the human world that goes around, but there is no question of a cycle in the subtle region or in the incorporeal world. It is now the iron age, hell, whereas the golden age is heaven. Who would make the residents of hell into residents of heaven? As soon as they go on to the path of sin, they become impure. Day by day, they continue to become unhappy from being happy. When the world becomes tamopradhan, it is said: There are completely tamoguni (degraded) intellects. Those are completely satopradhan intellects, just like those of the deities. In fact, deities should be worshipped. However, no one at this time is a deity because no one has divine virtues. *Christians* know *Christ* and worship him. The people of Bharat cannot call themselves deities. Many people have the name, "Deity so-and-so", "Deity so-and-so", but they don't have those virtues. It is sung: I am without virtue, I do not have any virtues. In front of whom do souls say this? They should say this in front of the Father. They have forgotten the Father and chase after the brothers. Brahma, Vishnu and Shankar are also *brothers*. You are not going to receive anything from them. People continue to worship *brothers* and continue to fall. You are to receive your inheritance from the *Father*. No one knows the *Father*. They call the *Father* omnipresent but what is the *Father's* name? They say: He is beyond name and form. On the one hand, you say that He is a constant form of light, and so how can you say that He is beyond name and form? You understand that, according to the *law*, everyone has to become tamopradhan and that only when the Father comes can He then make everyone satopradhan. Souls definitely have to become *pure*. All souls are going to reside with the Father. The new world had to become the old world. You know that you now belong to Baba and that Baba has come. He is carrying out establishment through Brahma. The Father says: I take the support of the body of Brahma. I ride in this lucky chariot. There would definitely be a soul in the chariot. It is said that Bhagirath brought the Ganges. How could the Ganges flow through locks of hair? That is just sweet water that flows from the mountains. Clouds fill themselves from the ocean and then rain. Nowadays, *science* has the power to make water sweet. Clouds rain so much *naturally*. So much water comes from them that there are even floods. Where does so much water come from? The clouds draw up that water. There is no Indra, no God of Rain, etc. Those are just the clouds that fill themselves and then rain. In fact, this is the rain of knowledge. This is *knowledge*, is it not? What happens through it? Impure ones become pure. The Rivers Ganges and Jamuna will also exist in the golden age. It is said that Shri Krishna used to play games there. In fact, there was nothing like that. There, they sustain Shri Krishna with a lot of care. He is a very good flower. Flowers are so lovely. People take fragrance from flowers. Would anyone take fragrance from thorns? This is a forest of thorns. The incorporeal Father says: I come and create a *garden of flowers*. This is why He is also called Babulnath (Lord of Thorns), the One who changes thorns into flowers. Babul changes the thorns into *flowers*. This is why His praise is sung: The Lord who changes thorns into flowers. So, there should be so much *love* for Baba. Even though souls have physical fathers, they remember the Father from beyond because they are very unhappy. This is also a game. You have been remembering the Father for half a cycle. It is because He comes that people celebrate the birthday of Shiva. You know that you have now become the children of the unlimited Father. Your relationship is with that One as well as with your physical fathers. The unlimited Father says: You will become pure by remembering Me. Each of you souls knows that this one is a physical father and that that One is the Father from beyond. Souls only call out to their Father from beyond. Souls say: O God! O, *God*, the *Father*! When their *father* is sitting at home, why do they call out: *O Father*? Because souls remember that eternal Father. It is now that you understand when He comes and makes the world new. It is said that He surely comes at the confluence of the end of the iron age and the beginning of the golden age. People have then said that the duration of the iron age is hundreds of thousands of years. People wander around so much in order to attain God. Who does the most devotion? They should meet the Father first, should they not? The Father has explained: You are the ones who first begin to do devotion. You should receive knowledge first. Formerly, you were those who had devilish traits. You are now becoming deities with divine virtues. You are becoming the masters of such an elevated heaven. There, everything is *first-class*. You become very important people. Palaces studded with diamonds and jewels will

be built for you there. You cannot receive the inheritance from Shiv Baba until you become Brahmins. Shudras cannot claim the inheritance. This is a sacrificial fire in which you Brahmins are definitely needed. A sacrificial fire is always conducted by a brahmin priest. Shiva is also called Rudra. Therefore, this is the sacrificial fire of the knowledge of Rudra. Rudra Shiv Baba has created this sacrificial fire of knowledge. When devotion comes to an end, the sacrificial fire is created. Human beings create sacrificial fires on the path of devotion. In the golden age, deities never create sacrificial fires. However, this is the imperishable sacrificial fire of the knowledge of Rudra in which the horse is sacrificed to attain self-sovereignty. It has been remembered by this name even in the scriptures. Devotion and knowledge are half and half: devotion is the night and knowledge is the day. Baba explains this. Constantly say, "Baba, Baba!" Baba is the One who makes us into the masters of the world. Baba is the *most beloved*. There cannot be anyone in the world lovelier than He is. You have been remembering the Father for half a cycle. You now know that you belong to that Father. The Father says: While living at home with your families, remember the Father. Not everyone can stay here. Yes, you can all stay with that Baba. Where? Which Baba? What is His name? Where will you stay with Shiv Baba? In the supreme abode. All souls stay there. They cannot all stay here. Only a few would stay here. You children have to take this *knowledge* here. This is a study. When you meet anyone, you should tell him: There are two fathers: your physical father and the Father from beyond. Everyone remembers the Father from beyond when they experience sorrow. That Father has now come. Shiv Baba is the *most beloved*. Krishna is also everyone's *most beloved*, but Shiv Baba is incorporeal whereas Shri Krishna is corporeal. Shri Krishna cannot be called the Father of everyone. He is a master of the world. It was Shiva who made him that. Both are lovely, but which one is the lovelier of the two? It would be said to be Shiva. Shiva Himself makes Shri Krishna like that, but what does Shri Krishna do? Nothing at all! Only the Father comes and makes the tamopradhan souls satopradhan. Therefore, He would be praised. Shri Krishna is a child and they show his *dance*. What *dance* would Shiv Baba perform? The Father explains: All of you are Parvatis. Shiva, the Lord of Immortality, is telling you that story. There is no other Parvati. There isn't just one Arjuna; all of you are Arjuna. All of you are Draupadis. It is Dushashan who strips women. This is why they call out: Baba, protect us! Baba says: Children, never be stripped. It is shown that when Draupadi was going to be stripped, Shri Krishna provided her with 21 sarees. Would anyone be able to wear 21 sarees? That is just in a play they have shown where Shri Krishna gives her sarees from up above. How could anyone wear 21 sarees? In fact, the meaning of it is that the Father protects you from being stripped and you are therefore never stripped for 21 births. Achcha.

To the sweetest, *sweet*, beloved, long-lost and now-found *children*, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

### **Essence for dharna:**

1. Continue to say internally, "Baba! Baba!" and become as *sweet* as Baba. Remain soul conscious. Pay full attention to this study.
2. Remember the *loveliest* Father and definitely become pure. Remove the alloy of vices with the fire of remembrance and become pure gold.

### **Blessing:**

May you become an easy yogi and make situations as big as a mountain become like cotton wool with the awareness of the one word "Baba".

In order to become an easy yogi, remember the one expression, "My Baba", that is all. No matter what situation comes in front of you, even though it may be bigger than the Himalayas, as soon as you say "Baba", that mountain will become like cotton wool. A mustard seed is still hard and strong, but cotton wool is soft and light. No matter how big the situation may be, it will become as light as cotton wool. When people of the world see it,

they would say: “How will this happen?”, whereas you would say, “It will happen like this.” As soon as you say, “Baba”, your intellect will be *touched* as to what to do and it will become easy. This is an easy yogi life.

**Slogan:**

Stay merged in the Ocean of Love and you will be blessed with the blessing of being constantly close, equal, full and perfect.
