

Essence: Sweet children, through the Father, the Ocean of Knowledge, you have become *master* oceans of knowledge. Each of you has received a third eye of knowledge and you are therefore trinetri, trikaldarshi and trilokinath.

Question: No one, apart from you children, can do spiritual service of the world. Why?

Answer: Because only you receive power from the *Supreme* Spirit. You souls first receive the *injection* of knowledge from the *Supreme* Spirit, through which you gain victory over the five vices, and you are then able to do the same for others. No one else can do such service; only you children do this spiritual service every cycle.

Om shanti. You have to sit in remembrance of the Father. You mustn't sit in remembrance of bodily beings. New ones who come don't know the Father. His name is very easy: Shiv Baba. It is such a *wonder* that children don't know the Father. Shiv Baba is the Highest on High, the Bestower of Salvation for All. He purifies all the impure ones; He is also called the Remover of everyone's sorrow. However, no one, apart from you Brahma Kumaris, knows who He is. You are His grandsons and granddaughters. Therefore, you definitely know the Father and the beginning, the middle and the end of His creation. You children come to know everything from the Father. This is an impure world. No one in the world, except you Brahma Kumaris, knows how He purifies all the iron-aged, impure ones and makes them golden aged. Only the Father removes you from iron-aged degradation and grants you golden-aged salvation. It is only in Bharat that they celebrate the birthday of Shiva. He definitely does come, but the people of Bharat do not know what He gives. People celebrate the birthday of Shiva every year, but they don't have a third eye of knowledge. That is why they don't know the Father.

Song: Show the path to us blind ones, o God!

This song, composed by human beings, says that they are without sight. Everyone has physical eyes, so why do they say that they are without sight? The Father sits here and explains that no one has a third eye of knowledge. Not to know the Father is called ignorance. To know the Father from the Father is knowledge. The Father gives each of you a third eye of this knowledge, with which you know the beginning, the middle and the end of the entire creation. You children of the Ocean of Knowledge become *master* oceans of knowledge. To have a third eye means you become trinetri, trikaldarshi and trilokinath. The people of Bharat do not know how Lakshmi and Narayan, who were the masters of the golden age, received their inheritance. When did they come? Where did they go? How did they receive their kingdom? People don't know any of this. Deities are pure. Definitely, only the Father makes them pure. The Father sits here and explains to you people of Bharat who believe in the deities and in Shiva. The birth of Shiva took place in Bharat. The Highest on High is God. It is here that people celebrate the birthday of Shiva. The birthdays of Jagadamba and Jagadpita, Saraswati and Brahma also take place here; they are only celebrated in Bharat. Achcha, Lakshmi and Narayan also take birth here; they are Radhe and Krishna. People of Bharat don't even understand this. They say: O Purifier, come! Therefore, everyone is definitely impure. Sages and holy men, rishis and munis all call out: Come and purify us! On the other hand, they go to wash away their sins at the Kumbha Mela because they believe the Ganges to be the Purifier. They call out to the Purifier to come and purify them, but how could a human being purify anyone? The Father explains: When you first belonged to the deity religion, you were all pure but you are now impure. They say: God, show us the path! Show the path to where? They say: Baba, show us the path to liberation-in-life! We have five vices in us. Baba, when we were all in heaven, we were viceless. We have now become vicious and impure; tell us the secret of this. These are not tall stories. The Father explains: The Shrimad Bhagawad Gita is the Gita spoken by God. Incorporeal God is the One who purifies the impure. Human beings

cannot be called God. The Father says: Even though there are so many great gurus here, why has Bharat become impure and like a shell? It is only a matter of yesterday when Bharat was heaven. Baba gave Bharat the gift of heaven. He came and taught Raja Yoga to the impure people of Bharat and made them pure. The Father has now come once again to you children as your Server. The Father is the Spiritual Server. Human beings are all physical servers. Even sannyasis are physical servers. They sit and relate the scriptures etc. The Father says: I, the incorporeal One, enter an ordinary, old, corporeal body and explain to you children: O children of Bharat! Look, the spiritual Father sits here and explains to spirits. It is not Brahma who is speaking this, but the incorporeal Father who takes the support of this body. Shiva doesn't have a body of His own. Saligram souls have their own bodies. While taking rebirth, they become impure. The whole world is now impure; not a single one is pure. You were satopradhan and then, as alloy became mixed in you, you went through the stages of sato, rajo and then tamo. Shiv Baba comes to you people of Bharat and adopts a body which is called The Lucky Chariot. In the temples they show an image of Shankar, because they believe Shiva and Shankar to be combined. They don't understand that Shiva is the incorporeal One and that Shankar is subtle. How could Shiva and Shankar be combined? Achcha, who then rides the bull? Shiva or Shankar? Where would a bull come from in the subtle region? Shiva resides in the incorporeal world, whereas Shankar is in the subtle region. All souls are in the incorporeal world. In the subtle region, there are just Brahma, Vishnu and Shankar. There are no animals there. The Father says: I enter this ordinary old body and explain to you. You children do not know your own births. How many births have you taken from the golden age onwards? You have taken 84 births. This is now your last birth. Bharat, which was a pure land of immortality, has now become an impure land of death. The Bestower of Salvation for All is One. The rosary of Rudra is the rosary of the Supreme Father, the Supreme Soul, incorporeal Shiva. It is said: The rosary of Rudra Shri Shri 108. All are part of the garland around Shiva's neck. So, the Father is the Purifier, the Bestower of Salvation for All, the One who gives everyone their inheritance. A limited inheritance is received from a physical father. Sannyasis consider that to be happiness that is like the droppings of a crow. The Father says: That happiness of yours is truly like the droppings of a crow. Only the Father comes and purifies the impure, that is, He changes thorns into flowers with this *knowledge*. This is the *knowledge* of the Gita. No human being can explain this knowledge. Only the Ocean of Knowledge, the Purifier Father, can explain it. The inheritance that you are now receiving can only be received from the Father. Only you are going into salvation. You are now at the confluence age, whereas others are in the iron age. It is now the end of the iron age. The Mahabharat War is in front of you. Five thousand years ago, after you studied Raja Yoga, the haystack was set ablaze. You are now studying Raja Yoga in order to become like Lakshmi and Narayan. Everything else is the path of devotion. When the Father comes, He opens the gates to heaven. The Father says: You Shiv Shaktis, you mothers of Bharat, make Bharat into heaven by following shrimat. You are the mothers of Bharat, the Shiv Shaktis who make Bharat into heaven. You are the children of Shiva. You remember Him. You take power from Shiva and conquer the enemy, the five vices. You children also did spiritual service of Bharat 5000 years ago. Those *social workers* do physical service. This is spiritual service. The *Supreme Spirit* comes and gives you souls an *injection*; He teaches you. It is you souls who listen. You are souls and you take 84 births. Each of you sheds a body and takes another. You have 84 parents in 84 births. You received the happiness of heaven in the golden and silver ages. You are now once again to receive your inheritance of happiness from the unlimited Father. Bharat really did receive this inheritance. It used to be the kingdom of

Lakshmi and Narayan in Bharat. There were no devils etc. there. You understand that this old world is now to be set on fire. I come and create the sacrificial fire of this knowledge. All of you become pure deities. Thousands of you are making effort to become deities. The Father has come to grant you children salvation. He is changing you from thorns into flowers. He is giving each of you a third eye of this knowledge with which you understand the whole *drama* and also what *part* Shiv Baba plays. You also understand what the *connection* between Brahma and Vishnu is. It is shown that Brahma emerged from the navel of Vishnu. Brahma becomes Vishnu; Brahmins then become deities. It takes 5000 years for Vishnu to become Brahma. You have this knowledge. The land of Vishnu emerges from the lotus navel of you Brahmins. They have created a picture showing Brahma emerging from the navel of Vishnu and relating the essence of all the Vedas and scriptures. You now understand the whole essence through Brahma. The Father says: There are four main religious scriptures. The scripture of the first deity religion is the Gita. Who spoke the Gita? Shiv Baba. The Ocean of Knowledge, the Purifier, the Ocean of Happiness, is Shiv Baba. He, not Krishna, sat and made Bharat into heaven. Shri Krishna heard this knowledge from Me and became Shri Krishna. So, this is incognito, is it not? New children cannot understand these matters. This is called hell and that is called heaven. Shiv Baba established heaven and Lakshmi and Narayan used to rule there. You are now becoming deities from human beings. The Father says: This is your last birth in this land of death, this land of sorrow. Bharat used to be a land of immortality. There was no mention of sorrow there. Bharat used to be a land of angels; it has now become a graveyard and is to become a land of angels again. All of these matters have to be understood. This is the study place for changing from human beings into deities. This is not a spiritual gathering of sannyasis, where they sit and explain the scriptures. A new person will not be able to understand any of these things unless he has done the seven days' *course*. At this time, all human beings are devotees. Those souls remember God. They are all lovers of God, the one Beloved. The Father comes and establishes that land of truth. Then, after half a cycle, Ravan comes and makes it into a land of falsehood. It is now the confluence age. All of these matters have to be understood. Achcha.

To you sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to you spiritual children.

Essence for dharna:

1. Truly serve Bharat spiritually by following the Father's shrimat. Take power from the Father, the Almighty Authority, and conquer your enemies, the five vices.
2. In order to become deities from human beings, definitely become pure. Imbibe this *knowledge* and become a flower from a thorn and enable others to do the same.

Blessing: May you have a subtle form of *light* and *pass* your *paper* at the time of destruction. In order to *pass* your *paper* at the time of destruction and face all adverse situations, be one with a subtle form of *light*. When you become a mobile *lighthouse*, your physical form will not be visible. It will be as though you wear a costume to play your *part*, and that as soon as you have finished your part, you take it off. Put it on in a *second* and then take it off in a *second*, that is, become detached. When you practise this, others who see you will see that you are wearing a costume of *light* and that *light* is your decoration.

Slogan: When you constantly wear your wings of zeal and enthusiasm, you will easily achieve success in every task you do.

Avyakt Signal: Make your foundation of faith strong and remain constantly fearless and carefree.

The Father is the Almighty Authority, and so have the faith that, by holding His hand, you will reach your destination. Even if you yourself are weak, your Companion is strong, is He not? So, you will definitely go across. Constantly remain aware that you are a victorious jewel whose intellect has faith. Let the past be the past, put a full stop and move ahead.
