Morning Murli Om Shanti

BapDada

Madhuban

Essence: Sweet children, your bodies are not guaranteed. Therefore, whatever auspicious task you want to perform, do it today. Don't leave it till tomorrow.

Question: What is the way to make everything of yours successful, that is, to become prosperous?

Answer: Make Shiv Baba your Heir (child) and He will make you prosperous for 21 births. He is the only one who becomes everyone's Child and makes everything successful for everyone. However, some are afraid; they think that they will perhaps have to give away everything they have. Baba says: There is no question of being afraid. Continue to look after your children, etc. Sustain them, but remember this Child and He will make you prosperous. If you surrender yourself to this Child, He will serve you a great deal.

Om shanti. At this time, all the children sitting at the *centres* definitely understand that they are listening to the elevated versions of Shiv Baba. There isn't another organisation like this one. Those ones too have many branches and they would also record *tapes*, etc. where they have their *head office*, where their guru would live and they would be remembering him. No one, apart from you, would be remembering the incorporeal Supreme Father, the Supreme Soul. The parlokik Father only comes at this confluence age. He sits here and gives you children His introduction and the intellects of you children develop faith and have this intoxication. The Supreme Father, the Supreme Soul, speaks the murli at this time. It is mentioned in the scriptures that Krishna played a flute (murli) in Madhuban. Madhuban is the one main place and the murlis are sent everywhere from here. It is in people's intellects that Krishna plays a flute (murli). It can never enter anyone's intellect that Shiv Baba speaks the murli. No one knows that. Wherever your *centres* open, everyone there understands that Shiv Baba plays the murli through Brahma which, is then heard by all the Ganges of knowledge and it is then related to others. Their intellects remember Shiv Baba. Shiv Baba is called God. It is not mentioned in any scripture that Shiv Baba speaks the murli. No matter where you children are, you understand that the murli you receive is Shiv Baba's murli. No one, apart from Shiv Baba, can teach this. The Father Himself says: Remember Me and I will give you the inheritance. Baba continues to tell you children: Constantly remember Me alone! Don't remember anyone else's name or form! You have been collecting *photos* of corporeal beings for birth after birth. You have also been saying special prayers (*upaasna*) etc. You have now stopped keeping pictures of the deities etc. Souls on the path of devotion remember the Father. Only when they become body conscious do they remember bodies. The Father repeatedly says: Consider yourselves to be souls and continue to remember the Father. It is souls that have become impure and unhappy. The soul says: I was an emperor and I have now become a pauper. You have now remembered that you are Baba's children. We received our inheritance from the Father. The Father now says: Give everyone the Father's introduction. There is no other task as auspicious as this. You shouldn't delay doing this auspicious task. Bodies are not guaranteed, neither young ones nor old ones. Therefore, whatever you want to do, do that today. When you say, "Today or tomorrow," death will eat you up. The Father has opened such a big *hospital-cum-university* through which you receive *health, wealth and happiness*. If you have *health and wealth*, you are *happy* anyway. If a person has a body free from disease and has wealth, he is happy. Therefore, the Father says: Whoever wants to perform an auspicious task, do it now! Simply take three feet of land and open this *hospital*. Give everyone the Father's introduction. The Father is the Creator of heaven and so you should definitely receive the inheritance of heaven from Him. The people of Bharat did receive the inheritance. The people of Bharat would easily be able to understand these things. They have built temples in their search for God. Those of the Arya Samaj don't believe in the deities. This is why they believe that all of these pictures that have been created are false. There will continue to be many obstacles. It is very easy to explain this. The Father's orders are: Engage yourselves to Me quickly. Only by engaging yourselves to Me can you claim a right to the inheritance. The Father is the spiritual

Surgeon. You are called His children, and so you too are all *surgeons*. You definitely have to give the *injection* of knowledge to souls. Manmanabhav! This is the biggest *injection* of all. All of your sorrow is removed by having remembrance of Baba. You become charitable souls by having yoga. Yoga is the only medicine. When a son is born and goes into his father's lap, he becomes a master of the inheritance. You now know that you are claiming your inheritance from the unlimited Father by having remembrance. It is in remembrance that there are many types of obstacle. This is why you have to continue to make your remembrance firm. Simply take three feet of land and open this *hospital*. This is three feet of land, is it not? Otherwise, for such an important *college*, you would need 50 to 60 *acres* of land, where people can come and study and take the *injection* of knowledge. It is remembered that they didn't even have three feet of land and yet they became the masters of the world. You are becoming the masters of the world, are you not? To have three feet of land is not a big thing. It will then gradually continue to grow. After the *foundation* was laid, so many *centres* were then opened. So many change from shells into diamonds. Those who do this then experience a lot of benefit. *Hospitals* and *colleges* are opened for the benefit of many others. It is the same here. Put up a *board* outside: *Clinic for health and wealth* for 21 births. In Hindi, it would be said: Clinic for 100% purity, peace and happiness. However, some children don't have any interest in doing *service*. The web of family and relatives is said to be like a spider's web. They themselves become trapped in the web. The Father comes and removes you from the spider's web of Ravan. This would not be said of the golden age. Here, too, people create their own web and die in it. This is Ravan's kingdom. Ravan's web is so big that it is over the whole world; all are sitting in the cottage of sorrow. All sages and holy men are trapped in Ravan's web. The Father says: Now, forget all of them. Have the faith that you are souls and continue to show everyone this path. No one else can tell you this secret of the world cycle. The Father says: Renounce all of them and constantly remember Me alone. Only by having remembrance will all your sins be absolved. You mustn't delay in carrying out an auspicious task. They also give an example of how, by delaying a task, a person dies before being able to carry it out. Then, when that soul is invited to take the bhog that is offered to him, he cries a great deal. It is then said: Look, you postponed everything. While you were saying "Today or tomorrow" death ate you up. You are then not able to take knowledge. Such complaints are then made. Many children think: OK, I will do this tomorrow, but then they die. This is why it is explained that you have to renounce attachment. Worldly relatives are not going to benefit you. Shiv Baba has now become your Child. He says: Make Me your Heir and I will serve you a great deal. This is why Baba asks: How many children do you have? If you make Me, Shiv Baba, your Child, you will become very prosperous for 21 births. A kumari goes to her home. They are so anxious to have a son. If someone doesn't have a son, he sometimes gets married two or three times. The Father says: Your physical children will not serve you at all. This One becomes your real Child. He makes everything of all of you successful. However, some people are afraid that they will have to give away everything they have. What will happen? The Father says: You have to look after your children, etc., but you have to remember this Child. This One will make you prosperous. People go to the temple at Kashi and sacrifice themselves. They believe that by sacrificing themselves to Shiva, they will receive liberation-in-life. In fact, that applies here. They have attributed something of one time period to another. If you surrender yourselves to that Child, He will serve you a great deal. He will give you a palace in heaven. Those sons will not do anything for you; at the most they will feed a brahmin priest! Whatever people donate and whatever charity they perform, they do it for themselves. Therefore, to open this *hospital* etc. is such great charity! Wealthy people can open 10 to 15 *hospitals*. All their wealth, etc. will also be destroyed. You can rent a building and open 50 *hospitals* with just 50,000 rupees. They will then be able to sustain themselves. The Father is showing you such easy ways to do *service*. Go to the banks of the Ganges and *serve* everyone there. Stick Baba's introduction on your back (on a piece of paper). People will read it by themselves. Renounce body consciousness! If a wealthy person does this, people would say: Wonderful! That one doesn't have any body consciousness at all! You have to give the Father's introduction. The Father is the Creator of heaven, and so why are we sitting in hell? The Father has now come and He says: Renounce

all bodily relations and remember Me alone. How did Bharat become hell from heaven? How did Lakshmi and Narayan take 84 births? Come and we shall tell you this story. Then, so many people would gather together. People consider the River Ganges and the River Jamuna to be the Purifier. If the Ganges is the Purifier, then at least decide between the two! You children have now understood the *drama*, and so you have to explain to others. If you don't enlighten others, who would say that your intellects are enlightened? If a *surgeon* is unable to give an *injection*, who would call him a *surgeon*? You children have been completely enlightened. You have the secrets of 84 births in your intellects. You know this *drama* and the *acts* of the *actors*. The *act* of the Father is the highest of all. He plays His *part* with the children. You are making Bharat into heaven, but you are incognito. This is the *incognito, non-violent* Shiv Shakti Army. Everything of theirs is physical. So many people go to the Kumbha melas. Here, you have nothing physical. You are on your pilgrimage while sitting, standing and moving around. You are becoming pure by having remembrance. Baba says: Continue to remember Shiv Baba while performing actions. They say that God is in everyone. So, there is a difference. The Father says: Wherever you sit, remember Me. You then also have to do *service*. So many devotees go to the temples. Simply put this picture on your back and continue to give the Father's introduction. He shows you many methods. Go to the cremation grounds and explain there. Explain the praise of the incorporeal Father and the praise of Shri Krishna and ask: Now, tell me who the God of the Gita is. You should also have pictures with you. You can do a lot of *service* with them. If a *female* does this or a *kumari* does this, it is her great fortune. *Kumaris* are the best of all. *Kanhaiya* (the Father of the *Kumaris*) is the incorporeal One. *Kanhaiya* was not Krishna, but the Father. The Father is concerned about how to teach you children. According to the *drama*, I explained it in the same way in the previous cycle and I am also explaining again today. Therefore, you too should become sticks for the blind. The children who receive the introduction also bring others. That too accumulates charity. Each of you should keep an account with yourself. Whatever you do, you will receive the fruit of that. If you bring others, they too can experience a lot of benefit. You children should pay a lot of *attention* to this business. What would you receive if you don't do *service*? *Service, service and service!* You even say that you are on *God's service*. You can also *serve* everyone at home. The Father teaches you: Never allow your children to indulge in vice. If they don't obey you, then they are disobedient. If you give them money and they use it to commit sin, then that sin is accumulated on your head. Baba advises you, but there are many who do something and then tell the Father about it. He shows you children many different ways of doing *service*. You children only have to do this business. Continue to do this *service* on *trains* too and the Father will be pleased and you will also receive the inheritance of constant happiness for your future 21 births. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Maya has woven a very big web. Therefore, remove yourself from that web by remembering the Father. Engage yourself in carrying out an auspicious task. Don't trap yourself in the web of any bodily being. Remove your attachment from everyone.
2. Give others the enlightenment of knowledge that you have received. Renounce body consciousness and do *service* in many different ways. Become a stick for the blind.

Blessing:

May you be loving to all and have soul-conscious feelings for everyone and finish all other types of feelings.

When you are body conscious, many types of feelings can arise. Sometimes, you will find someone good and sometimes you will find someone not so good. By seeing others in their soul form, you will have spiritual love for them. By having soul conscious feelings, soul

conscious vision and a soul conscious attitude, you will be extremely detached and loving as you form relationships with everyone. So, while walking and moving around, practise: “I am a soul” and, by doing this, all the many types of feelings and nature will finish and you will automatically be loved by all.

Slogan: Those who have wings of zeal and enthusiasm attain success easily.
